

2026 Computer Sciences Department Senior Project Showcase Judging Form

Please select the student(s) you are evaluating.	Communication	Presentation	Development	Documentation	Delivery	Totals	Additional comments
Parker Hoffman - GamemasterScrawl	5	5	5	5	5	100%	Great learning experience that will be valuable in the future. Love the excitement in the project
Parker Hoffman - GamemasterScrawl	5	4	3	3	5	80%	Great personality and self aware. He will be an amazing employee.
							Please slow down! Seems like your application is limited by the technology you chose.
Parker Hoffman - GamemasterScrawl	4	4	4	4	4	80%	Perhaps this could be more of an educational challenge tool vs a final product.
Parker Hoffman - GamemasterScrawl	5	5	4	5	5	96%	Enjoyed the humor!
Parker Hoffman - GamemasterScrawl	4	4	3	3	4	72%	Slow down. Nice use of humor. Seems like your presentation is focused on selling to end users how would you sell it to to an exec to get them to fund it?
							Would be nice to demo objective of multiple users working. Presentation was fast, would like to see code / database examples or what you accomplished more than over half of presentation on future plans.
Parker Hoffman - GamemasterScrawl	3	3	3	4	4	68%	
Parker Hoffman - GamemasterScrawl	5	5	4	4	5	92%	Wonderful job!
Parker Hoffman - GamemasterScrawl	5	5	5	5	5	100%	Great delivery! You are fun to listen to.
Parker Hoffman - GamemasterScrawl	3	4	4	4	3	72%	
Parker Hoffman - GamemasterScrawl	5	4	4	5	5	92%	
Parker Hoffman - GamemasterScrawl	5	5	4	4	5	92%	That was by far the most entertaining presentation I have been able to sit through! You nailed the presentation!
Parker Hoffman - GamemasterScrawl	4	5	4	4	4	84%	Nice work! It was ambitious and showcased your ability to work across varying technologies. I also appreciated your candor in desired improvements.
Parker Hoffman - GamemasterScrawl	5	4	4	4	5	88%	Very cool project, I think you are on a great path and this has a lot of potential. Impressive work on the real-time multiplayer interaction with sockets...that is not easy!
Parker Hoffman - GamemasterScrawl	5	5	5	5	5	100%	Great delivery in the presentation! Learning 3d rendering in three.js can be pretty interesting and complex. Parker did a good job recognizing the limitations of how he implemented everything and had a good idea of what parts to improve. Very good!
Parker Hoffman - GamemasterScrawl	5	5	5	5	5	100%	Parker explored an area that he is passionate about and considerably enhanced the dnd experience!
Parker Hoffman - GamemasterScrawl	5	5	5	5	5	100%	Parker – fantastic work. With the small polish items above, this could easily become an open-source tool that other GMs actually use.
Parker Hoffman - GamemasterScrawl	5	5	5	4	5	96%	This is a remarkably ambitious project and as I mentioned at lunch, you did a great job of illustrating the problem right at the start of the demo. Your presentation was great and I appreciate the energy and passion you presented and answered questions with.
Student 4 Average	4.6	4.5	4.2	4.3	4.6	89%
